

NOW AVAILABLE IN SPANISH

Basic Acid Staining **with LITHOCHROME® Chemstain Classic™** **INTERACTIVE TRAINING PROGRAM & DVD**

The Training Kit contains a color chart, technical literature, and an interactive DVD showing video clips of work in process, start to finish. It's ideal for crew training or as a refresher for experienced contractors, and is now available with both English and Spanish audio.

Seeing examples of the professional tips and do's and don'ts examples can help prevent costly mistakes.

In addition viewers will learn how to:

- **Manage customer expectations**
- **Select the right equipment for the job**
- **Prepare the surface for staining**
- **Applying stain correctly and artistically**
- **Neutralize & remove the stain residue**
- **Seal and maintain the finished floor**
- **And much more!**
