Concrete Solutions for a Sustainable Future

## LEED DATA SHEET

### SCOFIELD® Selectseal Plus™ – Water Based

**Primary use:** SCOFIELD Selectseal Plus is a sealer developed for use on interior concrete.

**Manufactured by:** L. M. Scofield Company  
6533 Bandini Blvd. 4155 Scofield Rd.  
Los Angeles, CA 90040 Douglasville, GA 30134  
(800) 800-9900 (800) 800-9900

## LEED Points – Indoor Environmental Quality 1 point

Commercial Interiors  
Core and Shell  
Healthcare  
New Construction  
Retail – CI  
Retail – NC  
Schools

**Credit IEQ 4.2 :** Low Emitting Materials – Paints and Coatings

Specify low-VOC paints and coatings in construction documents. Ensure that VOC limits are clearly stated in each section of the specifications where paints and coatings are addressed. Track the VOC content of all interior paints and coatings during construction.

**VOC content <100 g/L**

## LEED Points – Materials and Resources 1–2 points

Core and Shell  
Healthcare  
New Construction  
Schools

**Credit MR 1 :** Building Reuse - Maintain existing walls, floors and roof

Maintain existing building structure (including structural floor and roof decking) and envelope (the exterior skin and framing, excluding window assemblies and non-structural roofing material).

**Existing structural concrete floors can be colored, polished and sealed which could contribute to achieving this credit.**
