Acrylic Sealers

Pure acrylic sealers in a solvent base

NEW SCOFIELD Acrylic Sealers are a line of tough, pure acrylic concrete sealers in a solvent base. They are designed to protect and beautify all types of concrete with a high gloss durable clear coating. SCOFIELD Acrylic Sealers are non-yellowing to preserve the appearance of all types of concrete including plain, stamped, colored, acid stained, exposed aggregate, etc. Use on concrete driveways, sidewalks, pool decks, patios, etc.
